

net, and a second doubled-back cord inwardly of and closely adjacent to said second side edge of said relatively larger lower portion of said blocking member net, said second doubled-back cord also extending laterally inwardly of and closely adjacent to a portion of said upper edge of said blocking member net.

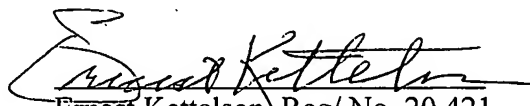

Claims 1 – 7, 9 and 10, please cancel.

Remarks

The rejected claims 1 – 7, 9 and 10 have been cancelled. Claim 8 remains in the case. Claim 8 was indicated as allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 8 has been so rewritten by this amendment.

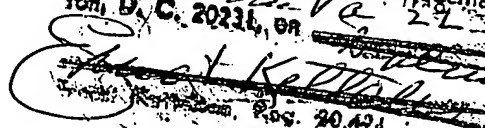

By cancelling the rejected claims and putting the allowable claim 8 in acceptable form, this application appears to be in condition for allowance. Favorable reconsideration and allowance of this application is respectfully requested.

Respectfully submitted,
